G.O.Ms.No.3965 Dated 1st November, 1952

ORDER:

The Government direct that-

(1) reasons should be given clearly and invariably in all cases for selecting or rejecting the application of any of the applicants for permits;

(2) applications for renewal of permits should be dealt with and disposed of within 3 months as required by rule 185 of the Motor Vehicles Rules so that the applicants may not get the benefit of renewal automatically;

(3) in the case of applications for renewal of permits, from operators to whom it is not desirable in the public interest to grant renewal, the Regional Transport Officer may write to the applicant concerned setting forth the defaults and lapses of which he has been found guilty and asking him whether he wishes to make any representation in respect of the same. (The intimation should not be in the nature of a "show cause" notice but should only call for a representation on the lapses, if the operator desires to make any).

2. The representations received in pursuance of this direction should be considered in addition to those made by other operators, under section 57 of the Motor Vehicles Act according to which a copy of the representations has to be sent to the Regional Transport Authority as wellas to the applicant for the renewal of the permit.
